

SMSD R&D Forum And WWV Art Fair

Hello WWV Family!

We are happy to present the announcement from SMSD for the R&D Forum that will be held digitally via Twitter this year! The dates for the R&D Forum will be this Friday-Sunday, May 1-3, 2020. The art fair hashtag will run the rest of this school year.

The district does not want to miss the opportunity to showcase all the hard work students have made this school year, and invite parents and students to submit their work to Twitter using the hashtag:

#SMSDRandD

We also are hosting this year's WWV Art Fair online via Twitter using both the handle and hashtag:

**@wwvpythons
#wwvartfair2020**

Parents and students are encouraged to take photos of the artworks we have been creating at home and sharing them online! We cannot wait to see all the artworks students have been creating at home!

See you all very soon!
